[onto the below statement.](#) **233 groups from 26 countries have signed the global rejection of GM wheat.** [Click here to view the full list.](/Resources/Topics/GE-Crops-and-Foods-Not-on-the-Market/Wheat/Global-Rejection-Signatories-Feb-9-2010)

Your group can still sign on by filling out the form below!

We invite all civil society organizations and social movements-

organizations, community groups, and gatherings of Indigenous peoples, farmers, peasants, churches, and all others-

to endorse the campaign by signing onto the following statement. (Your group's name will be used in a list of groups that state opposition to genetically engineered/modified wheat):

"In light of our existence and experience with genetic engineering, and recognizing the global consumer rejection of genetically engineered wheat, we restate our definitive opposition to GE wheat and our commitment to stopping the commercialization of GE traits in our wheat crops."
