Media Inquiries: Lucy Sharratt, Coordinator, Canadian Biotechnology Action Network 613 241 2267 ext. 25

November 29, 2011 - Press Release: [Federal Government Proposes to Side-Step Health Canada's Regulation of Genetically Modified Foods](#) Federal Government Proposes to Side-Step Health Canada's Regulation of Genetically Modified Foods: Trade policy would sacrifice safety, say groups.

- [Media Backgrounder on LLP](#)
- [Resources/Topics/Human-Health-Risks](#)

Genetically Modified Atlantic Salmon: Atlantic Canada is at the centre of the global controversy over GM fish. October 24-

27, Charlottetown, Fredericton, Halifax, St. John's. [Media Advisory](#)

[Press Conference Monday Oct 24, Bay Fortune, PEI](#)

[Media Backgrounder: Genetically Modified Atlantic Salmon](#)

[Contacts for Media including biographies of speakers](#) **More info on GM fish:**

[www.cban.ca/fish](#) **October 19, 2011 -**

Press Release: [Islanders Hold the Future of Wild Atlantic Salmon in their Hands](#)

[Islanders Hold the Future of Wild Atlantic Salmon in their Hands: U.S. and Canadian panel to present on the risks of genetically modified fish in Charlottetown](#)

October 17, 2011 - Press Release: [Critics of Genetically Modified Animals Barred from Summit on the Future of Animal Agriculture](#)

[Critics of Genetically Modified Animals Barred from Summit on the Future of Animal Agriculture](#)

October 11, 2011 - Press Release: [U.S. Rubber Stamp of GM Fish Imminent?](#)

[U.S. approval would trigger corporate plan to produce genetically modified salmon eggs in Canada, but Environment Canada remains silent](#)

September 12, 2011 - Press Release: [Groups to Host 12 Public Events in BC on Genetically Modified Foods](#)

[Groups to Host 12 Public Events in BC on Genetically Modified Foods: Public forum to highlight risks of GM crops and animals](#)

July 13, 2011 - Press Release: [US Opens Canada to GM Grass Contamination](#)

[US Opens Canada to GM Grass Contamination: US Department of Agriculture will not regulate genetically modified bluegrass, decision could be applied to future GM crops](#)

June 29, 2011 - Press Release: [Nova Scotia Should Steer Clear of Genetic Modification Groups](#)

[Nova Scotia Should Steer Clear of Genetic Modification, groups warn as Premier returns from global biotech industry conference](#)

June 28, 2011 - Press Release: [Report Exposes Unstudied Risks of Monsanto's Genetically Modified SmartStax Corn](#)

[Report Exposes Unstudied Risks of Monsanto's Genetically Modified SmartStax Corn: EU Member State critiques and leaked industry documents uncover safety questions](#)

Media Backgrounders: [Resources/Topics/GE-Crops and Foods On the Market/Corn/Comments from European Union Member States on SmartStax-Corn](#)

[Selected Comments from EU Member States and Listing of Studies Recommended](#)
